US 52 (Sagamore Parkway) and Salisbury Street Update

WEST LAFAYETTE, Ind. – May 17, 2012 – Starting today, Thursday, May 17, 2012, INDOT and the City of West Lafayette have installed a second left turn lane at the intersection of Salisbury Street and US 52 (Sagamore Parkway). Drivers headed northbound at US 52 and Salisbury need to use the right lane to continue north or turn right, and use the center or left lanes to turn left (westbound).

This will help reduce the delay for northbound Salisbury Street. Drivers are encouraged to use alternate routes including North River Road, Happy Hollow Road and Kalberer Road.

For questions, contact Dave Buck, Public Works Director, (765)775-5130 or Ben Anderson, Engineering Assistant, (765)418-7554.
